

## Council To Enforce Gas Storage Regulations

The main item of business dealt with at the regular meeting of the Council of the Town of Didsbury on Monday evening, December 3, was a resume of the fire regulations and the storing of gasoline.

According to the Fire Prevention Act "no drums, barrels or other containers used for petroleum products shall be stored or kept open on any premises which are less than 300 feet from any building owned or occupied by someone other than the owner or occupant of said premises."

Council decided to check-up on those not following the above regulations and to strictly enforce the Act.

Tenders will be called for the drilling of a second well for the Town water system.

Christmas tree lights will again adorn the streets of Didsbury and Council authorized the purchase of some new lights and the installation of the light strings in suitable places.

The street from the railway crossing east to the E. Pieper corner will be gravelled immediately.

## December Meeting Of The Bancroft Institute

The December meeting of the Bancroft W.I. was held at the home of Mrs. H. Swanson and opened in the usual manner, with the song "White Christmas" and the creed.

Roll call was answered with a favorite cookie or cake recipe. The minutes of the previous meeting were read and adopted.

It was reported that the dance at the Bancroft School on November 30 proved very successful.

Mrs. H. Swanson gave a report on handicraft and on a special meeting held by the handicraft convener with Mrs. Smith, the District Home Economist.

A letter was read from Woods' Christian Home acknowledging with thanks the gift of candy.

It was agreed that \$1 be sent to the TB Association and \$3 be sent to the Appeal for "Bread for Greece."

A new program committee was formed and suggestions were made by various members for programs for the coming year.

Complete plans were made for the supper to entertain the members' husbands which will be held on January 5, 1952 at the home of Mrs. J. McCulloch.

The meeting closed with God Save the King.

The raffle was won by Joy Hauser.

Each member drew a gift from the Christmas pie, and the members then enjoyed the lunch served by the hostess.

## Have Interesting Trip To Toronto This Fall

Mr. and Mrs. Thos. Morris returned Wednesday, December 5th, from Toronto by plane after spending four weeks in Ontario. They took a 20 lb. turkey with them and had a family dinner at which relatives were present—and the Alberta turkey won high praise!

Mr. and Mrs. Morris' report having a grand time at the Toronto Royal Fair, which was well-worth the trip. They were pleased to see the first prize butter with a Crystal Dairy of Didsbury tag on it.

They also saw the first prize wheat submitted by Howard Roppel of Rockyford, Alberta, and Delbert Fulkert winning first money with the trained horse he showed. There was the first prize for beef animal won by the University of Alberta, and they saw the Pickard and Clarke (Acme) Senior Holstein calf which won first prize in a class of 36 animals. The dam of this heifer, Didsbury Laura Masterpiece, was bred and owned by Mr. Morris of the Didsbury Dairy Farm.

Good weather prevailed all the time Mr. and Mrs. Morris were in the east, and they spent four days in Ottawa. They also visited Mr. and Mrs. Don Mortimer, Mr. and Mrs. Alf Brusso and Mr. and Mrs. Dave Edwards and Bill, who all wish to be remembered to their Didsbury friends.

### C.P.R. TRAIN TIMES AT DIDSBURY

#### NORTHBOUND:

No. 521—(flag stop) 1:10 a.m. daily.  
No. 523—Daily except Sunday, 11:32 a.m. (24 minutes later).  
No. 525—Daily at 6:21 p.m.  
No. 527—Daily "Eskimo" 10:00 a.m. (stops only on flag on Sundays)

#### SOUTHBOUND:

No. 522—Daily 4:52 a.m.  
No. 524—Daily 12:48 p.m. (noon train) 22 minutes later.  
No. 526—Daily except Sunday, at 5:13 p.m.  
No. 528—Daily 6:21 p.m. (stops on flag on Sundays only).

## The Expressions Are Varied

The remarks of FIELD MARSHAL VISCONT MONTGOMERY, one-time commander of Britain's Eighth Army, brings varied response from WINSTON CHURCHILL, wartime Prime Minister, and GEN. DWIGHT D. EISENHOWER, right, Atlantic Pact Commander. Viscount Montgomery spoke at a luncheon in London, of the "Desert Rats" he once commanded in North Africa against Germany's Rommel.

### DR. LISHMAN TAKES NEW POST IN BRITISH COLUMBIA

Dr. F. J. G. Lishman, who has been medical officer of health at the Rosebud Health Unit, now Mountain View Health Unit, for more than a year, has tendered his resignation to accept a position as medical director to a new health unit to be established at Kamloops, B.C.

Prior to taking over his new duties at Kamloops, Dr. Lishman will spend six weeks at Victoria headquarters for the B.C. Health Services.

Dr. and Mrs. Lishman and family expect to leave for Christmas to make their new home at Kamloops.

### Western Canada Jun. Hockey Game Dec. 15

Although hampered by mild weather, ice making has been going ahead slowly at the Didsbury Memorial Arena, and if all goes well there will be a good sheet of ice for the first game of the Western Canada Junior League to be played here on Saturday, December 15, between the Calgary Buffaloes and the Medicine Hat Tigers.

Reserved seat tickets are now being sold at Sole's Store in Didsbury for the entire series of six games, and the six tickets can be purchased at one time for the price of \$5, plus 60c tax. This is quite a saving over the regular \$1.00 admission plus 10c tax for a single game, and purchasers of series tickets are assured of six games, regardless of any that may be postponed.

All games start at 9:00 p.m. and those who do not have reserved seats may purchase tickets at the arena before each game any time after 7:30 p.m.

Get your reserved seats now while you have a choice of seats. This will save you time at each game, and you will be assured of the same seat for all the games in the series.

Melkor the Monkey, sent to Oklaheona City from Brownsville, Tex., by plane to become the pet of a wounded Korean war veteran, was posed by a photographer on arrival. The soldier's parents, Mr. and Mrs. H. L. Hough, Norman, Okla., will take the Brazilian albino monkey to Camp Chaffee, Ark., where their son is recuperating. Army regulations do not permit animals at the hospital, so the soldier may have to wait to get acquainted with his new buddy.

## Didsbury-Carstairs Calf Club Members Guests At Banquet

Members of the Didsbury and Carstairs Dairy Calf Club were guests of the Central Alberta Dairy Pool and Crystal Dairy Limited at a banquet held in the United church basement on Friday evening, December 7th. Honored guests were given Clarke and Ken Morris of Didsbury, Junior Dairy Judging Champions of Alberta, and Gordon Johnston and Vern Peterson of Olds, Junior Alberta Beef Judging Champions of Alberta, who each spoke briefly on their recent trip to the Toronto Royal Winter Fair. Gwen Clarke, secretary of the local club, presented the prizes to the calf club winners at the Achievement Day held this summer.

Tom Morris, leader of the Calf Club, thanked the sponsors for the lovely banquet and entertainment, and Mr. Kirkham of the Central Alberta Dairy Pool spoke briefly.

Mr. J.W. Worrie, local manager of the Crystal Dairy Limited, presented the trophy to Bobbie Clarke for the best calf in the show, and he also presented the showmanship award to Diana Munro.

Mr. W.E. Blore presented a trophy to Bobbie Clarke for the best group of three animals shown.

Walter Scheidt Jr. spoke on his activities at the University of Alberta this summer when he represented this district at the Boys and Girls Farm Week sponsored by the Alberta Wheat Pool.

Mr. Hugh McPhail expressed his gratitude for having had the two winning teams from his district, and Mr. Hooper of Olds also praised the winning teams for their success this year, under his coaching.

Bobbie Clarke, president of the Club was chairman for the evening.

### TOM MORRIS ELECTED SCHOOL TRUSTEE

At the annual meeting of the Sub-Division No. 6 of the Olds School Division held in the Lions' Hall, Didsbury, on Wednesday afternoon, December 5, Tom Morris was re-elected by acclamation as trustee to represent the Didsbury schools.

Mr. Morris has been the representative on the Divisional Board for the Didsbury School District ever since it was included in the Division, and he is vice-chairman of the Board.

### ON CIVIL DEFENCE

(By Mrs. H. Lynch-Staunton)

#### ARTICLE X

When an atomic bomb explodes in the air, a wave of heat travels out in all directions at the speed of light. This heat wave is so intense that it can start fires immediately over a wide area.

It is estimated that persons fully exposed to the heat flash would suffer fatal burns if they were within a half mile of ground zero, third degree burns up to 7.5 mile away, and insignificant burns up to two miles away. Protection is offered by intervening material such as the walls of buildings; and partial protection by clothing and foginess in the atmosphere.

Radio activity is a new source of danger in a war weapon. Gamma rays are emitted during the first few seconds after the explosion. Full exposure to them up to one-half mile from ground zero would cause death, and up to 1.8 miles away varying degrees of radiation sickness would occur.

Fortunately, intervening material can afford some protection, but considerable thickness is required to give complete protection, depending on the distance from ground zero. Contrary to common belief, in the Japanese explosions only about 15 percent to 20 percent of all the deaths were due to radiation alone. It is estimated that 20 to 30 percent were due to burns, and 50 to 60 percent were due to the effects of the blast.

A later article will deal with radiation contamination resulting from atomic bombs exploding on the ground or under water.

## Shell Oil Drilling Well North East Of Didsbury

The Shell Oil Company has had a crew of men setting up the derrick and power house, etc., for their new oil well to be drilled on the S.E. of Sec. 11-32-1-5, three miles east and five miles north of Didsbury, on the Roy Thompson farm, and the well was spudded in this week.

The derrick was moved from the Crossfield well, which was recently abandoned.

With the Hudson Bay No. 2 well drilling east of Didsbury on the W. McCulloch farm, and now at a depth of 5,400 feet, the activity in oil drilling in this district is intensified and shows promising results for the new year.

## Personnel Of Rinks In The Didsbury Curling Club

### CHRISTMAS CANTATA PANTOMIME AT COLLEGE

On Wednesday night, December 19, at 8:15 p.m., the Choir of Mountain View Bible College will present "The Light of the World" a cantata written by the director, Mr. G. Lyle Richardson. Because of the overbooked audience last year, the Cantata Pantomime will be produced in the Tabernacle Auditorium on the College campus. This production includes a large cast and is supported throughout by soloists, the choir, and Mr. Pete Waldin as leading narrator.

The public is cordially invited. A free will offering will be received.

### Westcott W.I. Donates To Oxygen Tent Fund

The Westcott W.I. met at the home of Mrs. J. Robertson on Thursday, December 6th, with 23 members present.

The meeting opened in the usual manner with O'Canada, followed by the creed.

Roll call was answered by giving suggestions for the 1952 program.

There were eight Secret Sisters who received parcels this month. Mrs. Carl Eckstrand gave a report of the executive meeting held on Saturday, November 17th, at the home of Mrs. Eckel.

Didsbury District Women's Institute are to purchase an oxygen tent for the local hospital, as this year's objective, and \$18.75 was sent to Mrs. C. Gibb's constituency. A vote of \$100 was given to the hospital fund.

The birthday box was opened and contained \$12.10 for the year.

\$15.00 was voted to be sent to the "Bread for Greece" fund.

It was reported that the sum of \$104.15 was cleared on the sale of a few hazaar articles and the pie social.

The 1950-51 officers were unanimously re-elected for the coming year.

The remainder of the afternoon was spent in making out the 1952 program.

Just before lunch, instead of the usual Christmas pie, Mrs. Ford had made a Christmas sleigh complete with reindeer and little Santa, and each member put in a gift and received one in exchange.

The next meeting will be held at the home of Mrs. Lloyd Vogel, on Thursday, January 3rd at 2 p.m.

### Mrs. Eckel President Of Afternoon Group

The regular meeting of the Afternoon Group of W.A. of Knox United Church was held at the home of Mrs. R. Eckel on Tuesday, December 4th, with twelve members present.

The Devotional period was conducted by Mrs. Ranton, with scripture reading by Mrs. Leeson. This was followed by the singing of a number of Christmas carols.

Reports of a successful bazaar were given.

The election of officers for 1952 was held and Mrs. R. Eckel was elected honorary president; Mrs. R. Eckel, president; Mrs. R. Gillrie, 1st vice president; Mrs. E. Kanton, 2nd vice president; Mrs. C. F. Nicholl, secretary; Mrs. F. Stevens, treasurer.

Christmas gifts were exchanged among members, after which lunch was served by the hostesses, Mrs. Rouch and Mrs. Thompson.

### Bancroft Girls Send Candy to Red Cross

The Bancroft Buttercup Girls' Club held their last meeting on December 1st, at the home of Elma Swanson.

The meeting opened by singing "Be Still, Oh Your Windowsill," and repeating the creed. Toll Call was answered by all members bringing a box of candy made from recipe exchange recipes. Last month this candy will be sent to the Junior Red Cross Hospital.

The thirteen members present decided that the sum of \$2.00 would be sent to each of two schools in the district, to help buy Christmas treats.

The girls will take part in a small item in the concert to be held on December 21st.

For the November objective, pressed and mounted leaves were brought, Marlene Chappel won the raffle.

The next meeting will be held on December 15, at the home of Faye McRob.

The meeting closed by singing "God Save The King."

The ice at the Didsbury Curling rink has been almost completed but snowing has hampered the ice maker this week. However, the curling club has elected rinks for the season and there will be 27 rinks competing in the season's events.

Following is a list of the personnel of the local rinks, the first named being skip, then third, second and lead.

Len Berscht, Jay Tuggie, Jack Wrightson, Al Engwer, Jim Cathness, Wayne Stauffer, George McDonald, Sid Fox, Ray Campbell, Cliff Sorenson, K. Waugh, Orrie Franklin, Lorne Clayton, Bob Dubois, Bob Youngs, Ross Youngs, Fred Evans, Wilf Skerry, Jack Riddoch, Ernie Coles, John Folkmann, Archie Timms, Erwin Bartz, E.H. Fox, Ed Ford, Ian Smith, Alec Coulter, Murry Anderson, Joe Freeman, Bill Payne, Cliff Lemke, George Pieper, Ken Gillrie, Dick Kimmel, Dave Rouleau, Bruce Freeman, Irvin Klein, Howard Allenson, Chuck Newton, Kelvin Shannon, Sam Krueger, Bill McKaraghar, Peter Neufeld, Maurice Carberry, George Law, Bill Morton, Dave Jenkins, Chal, McNichol, Len Gordan, Sid Fox, Sam Devine, Charles Pratt.

Tom Morris, Mac Wood, John Worthington, Ervin Baptist, Jack McRob, Howard Halliday, Sam Thompson, Ronnie Gordon, Ken McCoy, W. Ingalls, H. Shells, Joe Dick.

Ernie Pieper, Otto Skaar, Ben Krueger, Paul Sheldon.

Bert Prevost, Jim Nelson, Carl Gould, Bill Reinhardt.

Art Boller, Herb Eubank, Ed Watkins, John Holub.

Clint Reiter, Bill Gillrie, Lawrence Dickau, Henry Erb.

Herb Sinclair, C. Armstrong, Art Moenich, Ed Michelson.

Jack Topley, Guy Burke, George Dippel, Jack Neufeld.

W.H. Van Wyck, Pat Gale, Frank Gosselin, Jim Luft.

Ivan Weber, Ed Klink, Reg Nuss, Walter Scheidt.

John McRob, Ed Phil, Phil Anderson, Ace Esler, Art Grusie, Ernie Clarke, Adam Luft.

Just before lunch will be comprised of four curlers from Trident Drilling Company, (Hudson Bay Olds No. 2).

### Several Local Business Places Entered Saf'day

R.C.M.P. of Olds and Constable W.B. Dobbin of Didsbury are investigating the break-ins at several business places in town early Saturday morning, December 8th, but so far no trace of the culprits has been found.

The fingerprint experts were down from Red Deer Saturday to look for clues.

Just where the series of break-ins started in town, or how many persons were involved is not known but Efford Motors was entered through a back window in the washroom. The small safe was pried open and about \$10 taken, although nothing else could be established as missing.

At Klein's Sales and Service entry was made through a window on the south side of the shop and 66 cents to have been taken.

Payne-Freeman Company, Limited was also entered through a window and \$100 in cash taken. The caretaker at this establishment awakened in time to hear the theft leave, the time being around 4 a.m.

Barrett's shop was entered, although the main office was not broken into. Nothing was believed to have been taken.

Attempts were also made to break into Rosend Motors, Builders Hardware and J.V. Berscht & Sons store, but apparently the culprits were interrupted in their efforts.

## EAST NOTES

Mr. and Mrs. Kearny and daughter and Mr. and Mrs. Walter McCulloch, and son were Friday supper guests with the Kearny's folks in Olds.

The dance which was held at the Lone Pine Hall on Friday night was a great success, with the largest crowd ever in attendance in that hall.

Mr. and Mrs. Oscar Simpson of Allingham were Sunday supper guests with Mr. and Mrs. Alfie Thompson.

Mr. and Mrs. James Schumaker and son Randy and Leslie Schumaker were week end visitors with their parents.

Mr. and Mrs. Alfie Thompson spent a few days in Calgary last week.

June Richardson spent the week end with her parents.

Lois Neufeld was home for the week end.

The Orioles Girls Club are holding their December meeting at the home of Mrs. Harold Sheils this Saturday.

Mrs. Chris Ehret is the new President of the Lone Pine W.I. for this term. Mrs. Floyd Ahlgren was re-elected as secretary.

Mr. and Mrs. Herb Zeigler called on Mr. and Mrs. Alfie Thompson last Friday evening.

Mr. Fred Metz attended the council meeting for the month on Monday. Fred has recently had some gravel put on the east road, which is a big improvement.

## SPEEDY PIPE LAYING

A cheaper method for providing piped water to outlying farms, estates and villages is being used in the U.K. It consists of a tractor-drawn mole drain plough which lays special copper tubing underground at a speed of 100 to 150 feet a minute.

## MRS. RUTH ECKEL HOSTESS TO KNOX CHURCH W.M.S.

Eighteen members and friends of Knox United Church Woman's Missionary Society met Monday evening at the home of Mrs. Ruth Eckel. Christmas carols were sung and Mrs. C. T. Thompson conducted the devotional period.

## DOMESTIC POWER RATES GO UP AFTER DECEMBER 24

Effective from December 24, 1951, standard domestic service by Calgary Power Ltd. in the Town of Didsbury will be charged for on the following rate:

For 6 to 20 Kw. Hours per month, \$2.60 gross or \$2.30 net minimum charge; for all over 20 Kw. Hours per month, 1½¢ net per kilowatt hour. Where electric water heater is in use, 1¢ per Kw. Hour for consumption in excess of 400 Kw. Hours per month.

In making this announcement to the electricity users in Didsbury, Calgary Power Ltd. explained in a circular letter that several years ago the Company made available to the domestic users in the larger towns throughout its system, a special rate based on 1¢ per Kw. Hour for consumption over a minimum charge block of 20 Kw. Hours. This very low rate has been in effect in Didsbury since April 1946.

The Company's power production and distribution costs have been rising steadily since the war, and while prices of all other commodities have advanced sharply, power rates remain well below pre-war levels, states the Company.

## U.S. BEGINS TO MAKE SAPPHIRE JET ENGINE

The Sapphire jet-engine, designed by the Armstrong Siddeley Company of England, is now going into production at the Wright Aeronautical Division of the Curtiss-Wright Corporation, at Wood Ridge, New Jersey.

## THESE NEW BUG KILLERS

You first read about it in a newspaper or hear of it on the radio. It's a new insecticide claimed to be lethal to a variety of crop-destroying bugs. Advertisements proclaim its wonders. Then it appears on the dealers' shelves.

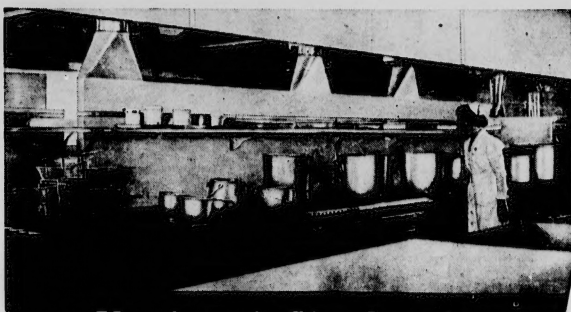

Long before the product reached the dealer, a corps of experts had spent thousands of dollars on development work to make certain the product is everything it is claimed to be. According to a recent report, the cost of developing a new pesticide today ranges from \$165,000 to \$355,000. One firm used up \$1,330,000 in developing a single item. Another poured \$150,000 into research without being able to market its product.

But research and development costs are only part of the story. There is the question of safety. Will the insecticide injure humans, pets, farm animals?

Even if the manufacturer is satisfied his product is safe if handled according to specifications, Canadian government agricultural and health authorities subject the material to a series of strict tests and carefully check the safety precautions detailed on the manufacturer's label. Only when complete clearance is obtained from the government can the product be recommended for use.

From the foregoing, it appears obvious that the new pesticides being offered to Canadian growers today are products of long and careful research so that they may be of maximum benefit to mankind.

— C.L.L. News

*Aluminum is friendly to food....*

And hospitals know it well! In this gleaming hospital kitchen, aluminum cooking utensils do a double job. They meet the highest hygienic standards because aluminum is ideal in contact with food. And they cook hospital meals more quickly because aluminum heats so evenly. Millions of Canadian homemakers, too, protect the flavour and quality of everything they cook by using aluminum utensils.

ALUMINUM IS FRIENDLY TO HEALTH  
ALUMINUM COMPANY OF CANADA, LTD.

Department of Information,  
Aluminum Company of Canada, Ltd.,  
Montreal, Quebec

Gentlemen:

We have for a number of years been using aluminum utensils in our kitchens and aluminum trays in the mess hall for a number of other purposes throughout the factory.

We have found aluminum to be strong, durable and easy to keep clean.

All pressed aluminum utensils are being used both in the main kitchen for meat and vegetable cooking and in the mess hall for the preparation of a number of food items. We have found that the lightness of these utensils makes it possible to produce a more efficient kitchen staff.

In our opinion the aluminum utensils are highly satisfactory and are readily cleaned.

Yours truly,  
  
Almond,  
Secretary Assistant  
to the Superintendent.

## Handle With Care

The careless handling of weed screenings following a year's hard work to control weeds doesn't make sense. The farmer has enough worries without trying to keep up with weed growth from seeds scattered to the four winds. The Noxious Weeds Act provides that all weed seeds and screenings stored, moved and sold or otherwise disposed of shall be handled safely. It is to the advantage of everyone to see that these regulations are followed closely. If you are feeding screenings, make sure that they are fed within an enclosed feed lot approved by a Weed Inspector. Screenings in storage must be kept in buildings, bins or other containers so constructed that there is no danger of the weed seeds leaking out and spreading around. If you intend to transport screenings, stay within the law by first obtaining a permit from your Weed Inspector, Municipal Field Supervisor, or the Field Crops Branch in Edmonton. These permits are free of charge. Remember that no screenings may be moved unless they are in tight containers to prevent any scattering of seeds in transit.

These regulations are for your protection. If they are followed closely, there will be fewer weeds to pollute your fields.

## ANOTHER WAGE HOIST

Put a ring around January 1 on your calendar, says the labor relations editor of the Financial Post. The shape of Canada's 1952 wage-price structure may be largely affected by what happens that day in the U.S. when wage settlement in the pattern-setting U.S. steel industry is due.

If Philip Murry's 600,000 CIO Steel Workers in basic steel get 15c or even 20c an hour some experts think possible, the economy of Canada as well as that of the U.S., is due for another ride on the price-wage merry-go-round.

## CHRISTIAN SCIENCE

Is human intelligence adequate to provide true security? This question is to be answered Sunday in Christian Science churches. The Lesson-Sermon is entitled "God the Preserver of Man" and it is comprised in passages like these: "And the Lord went before them by day in a pillar of fire, to give them light; to go by day and night." (Exodus 13: 21) "Love inspires, illumines, designates, and leads the way." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 454.)

Send the gift that says  
"Come and be with us for  
Christmas!" A gift to be  
appreciated and long  
remembered!

You can prepay a rail  
ticket from any point in  
Canada. Your Canadian  
Pacific agent will arrange  
all details at no extra cost.

Notes From the D.A.  
(Hugh McPhail)

**Smut Experiments in Manitoba:**  
The following is a brief summary of some research made with smut. It shows the advantage of mercury treatments over formalin; and advantage of using proper equipment and how much more effective mercury treatment is if applied some time before seeding.

A seed-drill survey of coarse grains made in Manitoba during the years 1917 to 1949 inclusive revealed that an average of about 47 per cent of the farmers treated seed of oats and barley, and about 13 per cent of these used older and less effective disinfectants. About 55 per cent of the farmers that treated seed used a treating machine. The others used a shovel, a loading auger or other less effective methods of application. Farmers who treated seed of oats and barley with a machine had an average of 0.72 per cent smut in their fields whereas those that used other methods of application had an average of 1.32 per cent. Of the farmers who used organic mercury seed disinfectants, 35 per cent sowed their treated seed three days or less before seeding it and 65 per cent allowed four days or more for post-treatment storage. The former had an average of 1.07 per cent smut and the latter only 0.27 per cent.

In general, farmers who treated their seed regularly and used the most effective seed disinfectants with proper methods of application had crops that were relatively free from smut. Seed from these crops carried very few spores and when it was treated infection was practically eliminated.

## THAT MANITOBA PLEBISCITE

The result of the Manitoba coarse grain plebiscite, wherein 66 per cent of the registered farmers in the province turned out and voted 89 per cent in favor of the Wheat Board method of marketing oats and barley, was elicited by a comment from the editors of daily newspapers. The great majority of these editors, it might be mentioned, have been condemning state marketing of grains as undemocratic and unpopular with the farmers. They have been saying that this method of marketing was forced on the farmers against their will by a purblind leadership.

The Edmonton Journal, which has been favorable to the Wheat Board and its methods, says: "The tremendous majority by which the farmers of Manitoba express their preference for 'orderly' marketing of oats and barley through the Canadian Wheat Board leaves no room for doubt."

Strenuous efforts have been made, especially since the war ended, to have it appear that grain marketing on the Winnipeg Grain Exchange would bring the farmers more money than closed marketing through the board. Supporters of the exchange will now have to admit that they can secure little backing from the grain growers themselves. Of significance also is the fact that Manitoba farmers reached their decision by themselves; they were not pushed or persuaded either way, for very little campaigning preceded the referendum.

The Lethbridge Herald says: "It is evident that until something as secure as the Wheat Board method of selling grain is provided by Ottawa, the farmers of the west will tolerate a certain amount of compulsion for the apparent security it brings in a business which is beset with enough hazards without having to worry all the time about price."

The Calgary Herald queries the clarity of the wording of the plebiscite. It suggests that farmers through a contrary vote would have meant the elimination of the Wheat Board entirely, and says that they should have been offered the choice of marketing either through the board or the open market. —Wheat Pool Bulletin.

## OFF-COLOR OLEO BILL

In the final week of the last session of Parliament a bill was rushed through the Commons that undermines the whole foundation of Confederation, declares the Financial Post. This was the Dairy Products Act under which the shipment of certain products from one province to another can be prohibited.

Aimed at keeping margarine out of Quebec in line with Premier Duplessis' highbanded ban on that product, this legislation is a direct violation of the British North America Act. If it is passed to become a precedent, all interprovincial movement of goods could be prohibited and the whole country fall apart into 10 isolated pieces.

Perhaps in time the law will get around to declare this act illegal, just as it did with the old national ban on the manufacture and sale of margarine. But the country waited nearly 50 years for the margarine ban to be tested. It should not wait a single year for this other far more dangerous legislation to be kicked out.

## In The Dawn Forever

"Man lives in the dawn forever. Our past has no other mission than to equip us for the present and the future. Its precedents should not be allowed to divert at this moment one particle of our energy that could be devoted to constructive advance."

Over the generations and centuries mankind has achieved steady progress. This has been mainly through united action against economic and political tyranny.

While wars and depressions may temporarily stay or slow down the progress of mankind in the march towards freedom and better living for all, the movement is never completely halted. Somewhere or other new recruits are being enlisted and new forces developed. The march is forever forward.

The Wheat Pool movement in Western Canada is one phase of mankind's march towards economic emancipation. It has laid the foundation for the establishment, for all time to come, of a physical system of handling grain the ownership of which rests with the grain producers. This is one of the most important steps ever taken by a group of farmers anywhere in the world.

The responsibility for carrying on the Wheat Pool movement, and for making Pool elevator organizations in every province growing concerns, rests now with younger generations of farmers. It is the responsibility of such generations to build great superstructures on the foundations so well and truly laid.

**ASSISTANCE FOR FARM-STORED AND UNTHRESHED CROPS**

Trade Minister Howe said last week that he intends to recommend to Dominion Cabinet that prairie farmers be given advances on farm-stored grain and financial assistance on unthreshed grain, beginning some time in January.

He made that observation in reference to two recommendations made by the Saskatchewan Farmers Union in an address prepared for delivery before the Union's annual meeting, he said:

"Two of your recommendations have to do with advances in farm-stored grain and with financial assistance for farmers with unthreshed grain. I intend to recommend to my colleagues that steps be taken in both cases, commencing some time in January."

He felt that a third suggestion for payment for farm storage of grain was "of less consequence."

"In principle," he added, "I do not like to see funds taken from the pool belonging to all producers to pay particular producers for carrying grain on their farms."

"Farm storage has been paid previously only under wartime conditions when our surplus of grain lacked markets. We have markets now for all the grain we can move. Our whole emphasis should be on moving grain forward, rather than giving encouragement to storage."

He said he would be willing to recommend that the Canadian Wheat Board be comprised of representatives of the farmers' own choosing if the farmers would "first release the Government from any undertaking to guarantee the initial payments." But, so long as this financial responsibility remained with the Government, the Board members must be appointed by the Government and be responsible to it.

## THE DISTRICT NEWS:

### WESTCOTT NOTES

The general meeting called for last Monday evening to discuss the management of the Westcott rink was well attended and much business was discussed before the final decision was made to again hire a caretaker as in previous years. Mr. Ken Folkmann very kindly consented to do this work for us and he has been busy preparing ice and generally getting the place in shape to take care of the winter's activity at the rink. Our schedule of rates has been somewhat revised for this year so as to take care of the increased expense of upkeep. Further notice of opening etc. will be given in this column at a later date.

Miss Phillis Hughes, R.N. of Calgary, was home for the week end. Mrs. Albert Konschuh and daughter Lorraine and Mrs. Herbert Goetjen attended the shower in honor of Mrs. Frost (nee Doreen Konschuh) in Didsbury on Tuesday evening last at the home of Mrs. Bob McGuffin.

Mr. Ted Topping of the Sundre district was a visitor with his brother Charles at the Westcott store last Tuesday.

Mrs. John Jacobson of Sundre has been visiting at her son Linden's home this past week.

Mr. and Mrs. Herbert Goetjen and Mrs. Clarence Rinehart attended the Mork funeral at Cremona last Friday afternoon.

Another whist party was held at the school last Wednesday evening with seven tables in play. We have no report on the winners.

The many friends of Mr. Bill Mork of Cremona were shocked to hear of his sudden death by accident at the oil well west of Cremona last Tuesday morning. Mr. Mork had been employed by the municipality until recently and had made many friends on this way. The sympathy of all is extended his wife and children and his brothers and sisters, all well-known residents of Cremona and district.

Mr. Charles Brown, Mrs. Lena Sanderson and daughter Eunice, and the former's mother, Mrs. Bradley were Calgary visitors over the weekend where Mrs. Bradley had gone for further medical check-up.

### M.V.B.C. NEWS

Once more the College has been a place of activity this past week end. A group of young people left on Saturday for Castor and Galahad for both Saturday night and Sunday services in the U.M. churches there. Another group took charge of the services at Davenport, doing both Sunday School work and taking charge of the morning service. Mr. and Mrs. John Wilson were the guests of the May City church and assisted Rev. Lloyd Torgerson in the services on Sunday. Three students were in Calgary for the day as well and reported an interesting time in the new church that is being established there. Stanley Cox, Jim Macdonald and Robert Storey were in charge of each of these organized groups. We do appreciate the opportunities which our young people have in the way of practical experience, and pastors report that they do good work.

The young people enjoyed a skating party at the home of Mr. and Mrs. Lloyd Stauffer on Friday evening. Almost everyone attended, for the evening was just right for the occasion. Mrs. Stauffer was gracious in her role as hostess, and Mr. Stauffer and Willard, who attends High School in town and stays in the College, saw to the needs of the guests during the course of the evening. A hearty thank you, Mr. and Mrs. Stauffer and Willard.

Miss Bessie Snyder, returned missionary from Columbia, S.A., has been a guest of the College for the past week. Miss Snyder gave interesting lectures each day to the entire student body concerning the work carried on in that land. She also spoke in several churches during that time.

Mr. G. Lyle Richardson was the guest of Mr. and Mrs. Alex Robertson on Sunday. He considered it a privilege to sing in the morning worship service of that community.

The Christmas program, under the direction of the Music Department, will be held on December 19 in the heated tabernacle on the school grounds. Look for the advertisement elsewhere in this paper. You will want to hear this talented group this year as Mr. Richardson directs them.

A number of students called on Mr. and Mrs. Abe Sawatzky at Bowden on Sunday. Abe has received special citation from those in authority for presence of mind and bravery in connection with the recent fracas in the Bowden institution. We are happy to know that he is recovering so well, and that his work is acceptable.

It would seem at present that all students will be able to return to their homes or to the home of relatives, during the Christmas vacation. The dormitories will be closed, except as faculty members live in their apartments during vacation time.

### MOUNTAIN VIEW

Sunday evening a large number of friends gathered at the home of Mr. and Mrs. Charles Pratt. The occasion being Mrs. Pratt's birthday. Carols were sung and the evening closed with lunch and a birthday cake.

Mr. and Mrs. Walter Pratt and family spent Sunday with Mr. and Mrs. Thomas Pratt and family.

Mr. and Mrs. Raymond Hayne and family of Edmonton were visiting in the district on Tuesday and Wednesday of last week.

Mr. and Mrs. Jack Winterbottom and Lynda were Sunday dinner guests at the home of Mr. and Mrs. David Pratt and family.

Mr. and Mrs. Jas. Worral were Sunday evening guests with Mr. and Mrs. Ed Blain.

Mr. and Mrs. Joe Hunter and boys of Chairhill visited in the district from Wednesday until Saturday of last week.

Mr. and Mrs. John Koluit and boys spent the week end with Mr. and Mrs. Ed McNeil and son.

Mr. B. Kirkpatrick of Calgary spent the week end with Mr. and Mrs. Laurence Hiter.

### CREMONA NEWS

The Cremona Womens' Institute sponsored a very well attended Tea and Home Bake Sale in Bergeson's Cafe on Saturday afternoon, December 8th.

A sweater, knitted by Mrs. Doris Diney was won by Mr. Chas. Bird. Ticket sales on the sweater totalled \$50.00.

An angel food cake, made and donated by Mrs. M. Hewitt, netted \$11.00 on ticket sales. It was won by Mr. John Tuppe.

The proceeds for the day netted \$122.00 and a special "Thank You" is extended to Mr. and Mrs. L. Bergeson for their co-operation and use of the cafe.

The Womens' Association of the United Church sponsored a very enjoyable literary in the Community Hall on Friday evening, December 7th. Sales of home made candy netted \$12.00 and the proceeds for the evening were \$56. The proceeds are to go for various needs for the United church.

The canasta club met this week at the home of Mrs. McQuarrie. First prize was won by the hostess and consolation by Mrs. Simington. Mr. and Mrs. A. Stodalka of Calgary were weekend visitors with their daughter, Mrs. D. Fraser and Mr. Fraser and Danny.

Mr. T. Thompson is spending a few days holiday at the home of his uncle at Homegren.

Sincerest sympathy of Cremona and district is extended to Mrs. Wm. Mork and family on the death of Mr. Mork.

### BERGEN NOTES

Mr. David O. Clark of Bergen and Mr. David Burke of Sundre were nominated as candidates to fill the vacancy on the Board of the Olds School Division at the meeting held in Sundre on December 7th.

Mr. Wm. Davies held this position for the past 12 years and his resignation was received with great regret.

A most enjoyable evening was spent at Bergen Hall on Friday evening, December 7th, when the Bergen Home and School Association held their monthly meeting.

Carols were sung to music supplied by young people from the two local churches. Mr. Jackson, Pastor of the Sundre United Church spoke fittingly on "The Spirit of Christmas."

The highlights of the evening for the youngsters was the distribution of candy bags.

Miss Hanna Sande, employee of the Sundre Bakery had the misfortune to fall and break her wrist.

### RUGBY W.I.

The December meeting of the Rugby W.I. was held at the home of Mrs. O. Krebs with an attendance of 14 members and one visitor. It was decided to donate to the Woods Christian Home and help be given to a burned out family.

The financial report for 1951 was given and showed a favorable balance.

1952 officers were elected and comprise: President, Mrs. R. McNaughton; Vice-President, Mrs. A. Blain; Secretary-treasurer, Mrs. O. Thompson. In future the meetings will be held in alphabetical order and the January meeting will be held at the home of Mrs. Cowitz with Mrs. McInnes as co-hostess. Christmas carols were sung and gifts for everyone were drawn from a deep basket.

The meeting closed with the National Anthem and a very sumptuous tea was enjoyed by all present.

So ends 1951! What will 1952 bring all of us?

Brynley Roberts, who is also employed with Jenkins' Groceteria and who has been at the Eckville store, has been transferred to Oids.

The J. R. Stevens, Ernie Clarke and H. Sportel road has been gravelled by the municipality on a one-third basis.

WANTED—Have your sewing done before the Christmas rush. Phone 225, Mrs. Sheldon.

FOR SALE — Ladies Figure Skates. Hi cut, white, size 7. In excellent condition. Cheap. See Pat McDonald.

## FEEDING FROZEN GRAIN

The Lethbridge experimental Station states that frozen and sprouted grains are not poisonous when fed to livestock but may have certain limitations as feed. Those who are not accustomed to feeding livestock wheat are warned against introducing too much sprouted or frozen wheat into the ration at one time. Wheat is a very heavy feed, and livestock must be accustomed to it gradually. It is mainly because feeders have introduced wheat into the ration too quickly, with resulting death losses, that the belief has arisen that frozen and sprouted wheats are poisonous.

The station warns against feeding moldy and heated grain or hay to livestock. It is desired to feed hay or grain that is slightly moldy, it shall be fed so that the livestock can pick out the good and leave the badly molded parts. Stock which is eating moldy hay or feed that has been heated should be watched closely. If they start to go off feed, the feeding of moldy hay or grain should be discontinued.

## Mrs. Dowell Entertains Lone Pine Institute

The Lone Pine W.I. held its annual meeting at the home of Mr. F. Metz with Mrs. Edna Dowell as hostess. The meeting opened by singing "White Christmas" and repeating the creed, and the minutes of the last meeting were read and adopted.

The Secretary's report showed a bank balance of \$187.14. Mrs. Gordon Rathburn gave a splendid report on the executive meeting, and also on the meeting with Miss Smith.

The \$18.75 for the oxygen tent for the local hospital has been sent in as the Lone Pine W.I.'s share of the project.

A ton of coal is to be bought for the local hall.

The election of officers then took place and as follows: President, Mrs. Chris Ehret; Vice-president, Mrs. Jack Underhay; Secretary, Mrs. Alice Ahlgren; Directors, Mrs. Pete Schumaker, Mrs. Edna Dowell and Mrs. Sandy Brander, Sick Convener, Mrs. Bruce Shells.

The sunshine friends made were then drawn for the year.

A Christmas draw was held and all received very nice gifts.

God Save the King brought the enjoyable afternoon to a close, and a lovely pot luck lunch was served by the hostess.

The January meeting will be held at the home of Mrs. Ahlgren, and a lovely pot luck lunch is asked to bring a tea towel for the local hall.

## MELVIN NEWS

Allen Krebs who is now working with the oil company at Cremona, spent the weekend at his home in the district.

The square dancers are really getting into the swing of it and are finding it a lot of fun. The cows no doubt are wondering what it is all about as the men practise their round dances while doing their daily chores — "Balance and balance, and waltz and waltz — 1 2 3!"

The Westcott troops of the Scouts and Cubs held their last meeting before Christmas Saturday night.

They enjoyed their gift draw as usual, and the Scouts each took a toy for the Salvation Army. We understand they are preparing for a night of Carol singing again this year.

Mr. and Mrs. August Krebs and Jimmie were Calgary visitors on Saturday.

Mr. and Mrs. E. Dupont accompanied by Mr. and Mrs. George Youngs and Mr. and Mrs. Ross Youngs motored to Calgary on Tuesday.

Mr. and Mrs. Jack Richardson and family left Sunday to reside at Sundre.

Last week saw a few more farmers complete their threshing. Nice to get it over before Christmas anyway.
